

January 25, 1973

CLERK: Mr. President, the first bill up on General File is the request to bracket it until Tuesday, January 30th, signed Senator Stromer.

SPEAKER: Are there objections? Hearing none, so ordered. 39 is bracketed then, until Tuesday, did I hear.

CLERK: Yes, January 30th.

SPEAKER: Thank you, we'll move to general file consideration of LB 9. The Clerk will read the title.

CLERK: Mr. President 9 is just what we bracketed.

SPEAKER: I'm sorry I thought you said 39. Excuse me. I move to the consideration of Legislative Resolution #6.

CLERK: Mr. President Legislative Resolution #6 appears on page 92 of the Legislative Journal.

SPEAKER: Senator Schmit what might be your pleasure regarding Legislative Resolution #6? It probably should be read in order to protect it from your motion on indefinitely postponement, or from any motion on indefinitely postponement.

SENATOR SCHMIT: Then let us so move.

SPEAKER: Alright, the Clerk will read the resolution.

CLERK: Resolution #6 read.

SPEAKER: The Chair recognizes Senator Schmit. What's your pleasure regarding the resolution Senator?

SENATOR SCHMIT: Mr. President and members of the legislature, I move the resolution be adopted as read.

SPEAKER: Is there any further discussion? Do you have any closing remarks Senator?

SENATOR SCHMIT: I don't think it's necessary to explain it again the resolution speaks for itself, we held a public hearing, every witness that testified, testified in support of the resolution including the Environmental Protection Agency's witness from Kansas City, Mr. Carl Clobeck, who agreed the original order was ridiculous and would never be adopted, so I think that at this time the Nebraska Legislature should go on record as for the resolution also. Thank you.

SPEAKER: The Chair really can't assume that your motion to adopt this is the motion to advance it so do you want to make a motion to advance the resolution? Excuse me, do you want to, excuse me the Chair was in error. We'll adopt the resolution, is there any further discussion of the resolution? All those in favor of L - Senator Hasebroock, excuse me, all those in favor of the resolution vote aye, all those opposed vote no. Voting on the adoption of Legislative Resolution #6. Have you all voted? Voting on Legislative Resolution #6. Once again the Chair would ask if you have all voted? The Clerk will record.

CLERK: 40 ayes, Mr. President on motion to adopt.

SPEAKER: Good. The Resolution is adopted. Move on to the general file consideration of LB 47. The Clerk will read the title.

CLERK: Title Read LB 47.

SPEAKER: The Chair recognizes Senator Cal Carstens. Gentlemen, could I ask for a little order in the Chamber, please, and Lady.
